- } Forked Line: Conflict or Dual Destiny
- } Jagged Line: Struggle, Indecisiveness
- } Broken Line: Trauma, Difficult Circumstance
 - } Chained Line: Highs and Lows

Fame Line

Success, Wealth, Talent
Placement: Parallels Fate Line

Fame Line

Fame line gives light to the a person's fate or destiny, indicating brilliance or artistic ability enhances life purpose. Note: This line is not always present.

Love Lines

Also called "Marriage Lines"

Love lines are short horizontal lines found on the side of the hand underneath the pinky.

Love Lines

Love lines indicate the number of significant relationships there are in a lifetime. Sometimes it is easier to see these lines if you bend your pinky slightly toward your palm to see the line creases.

Children Lines

Placement: Vertical lines between pinky fingers

Children lines commonly root out of marriage lines (Love Lines) indicating births that are a result of corresponding relationships.

Children Lines

Intuition Line

Placement: Parallel to Life Line (either side)

Intuition lines generally shadow the life line because intuition indicates keen insight into one's life.

Intuition Line

Basic Intuition Line Meaning:

The more prominent this line appears (deeper, longer) the stronger the indication that psychic ability is a dominant characteristic for the person. Intuition lines are not the easiest to detect, and may be absent entirely.

Health Line

Placement: Vertical line begins below ring finger

An absent health line usually indicates that health is not an issue. Degree of sickness is indicated by the strength or weakness of this line.

Health Line

Bracelets

Also called "Rascettes"

Placement: Bracelets are the lines at the bend of your inner wrist.

It is most common to have two or three bracelets. Although, some people have only one bracelet, and having four or more is possible. More bracelets indicate a longer life, broken bracelets indicate ill health or lowering of chi energies (It's the basic circulating energy of life).

Travel Lines

Placement: Mid to Lower Palm Underneath Pinky Finger

Travel lines indicate travel, but can also merely indicate a desire to travel.

Travel Lines

Girdle of Venus

Placement: Semi-circle between index and pinky fingers

The shape of the Girdle of Venus is similar to a crescent moon hanging over the heart line. This palm line configuration intensifies the emotions.

Girdle of Venus appears on the hands of individuals who tend to be ultra-sensitive. Symbolically it can indicate a need for shielding or creating emotional boundaries.
